

# Durham Farmers' Market's mid-week market starts this Wednesday, May 5th!

The mid-week market will be open every Wednesday from 3:30-6:30pm through the end of September. Join us in the Pavilion at Durham Central Park, 501 Foster Street.

This Wednesday, Muriel Williman, from Orange County Solid Waste Management, will be conducting a composting demo from 4-5:30pm. Learn the basics of outdoor composting using manufactured or home-made bins, and indoor composting using worms.

The Durham Farmers' Market is an all local, producer only farmers market. You'll find fresh fruits and vegetables, meats, eggs, cheeses, baked goods, gluten free foods, honey, and fine local crafts. The Market offers cooking demos, educational events and live music. Also open Saturdays 8am to Noon.

FMNP WIC and Senior vouchers accepted.
